# Inspector General System

# Mission Statement

---

Determine the state of the command's *economy, efficiency, discipline, morale, mission performance, training and readiness* as directed by the commander (AR 20-1).

***Statutory Authority is Title 10, U.S. Code,  
Section 3020***

# **Food For Thought**

---

“The day Soldiers stop bringing you their problems is the day you have stopped leading them. They have either lost confidence that you can help them or concluded that you do not care. Either case is a failure of leadership.”

General Colin Powell

# The U.S. Army IG System

- Comprised of four basic Inspector General **functions**:
  - Inspections
  - Assistance
  - Investigations
  - Teaching and Training
  
- Inspectors General execute this system through two basic **processes**:
  - The Inspections Process
  - The Inspector General Action Process (IGAP)

# Assistance

---

- Anyone may submit a request
- Encourage Soldiers to first use the chain of command
- Handle at the lowest level
- Use other agencies
- Close the loop with client

# Investigations

---

- Usually violations of Standard of Conduct or UCMJ
- Authority from Commanding General
- Fact finding – fair and impartial
- Assess facts, draw conclusions and make recommendations
- Only used as basis for adverse action with approval of TIG

# Inspections

---

- Compare to the Standards
- Identify Root Cause
  - Don't Know
  - Can't Comply
  - Won't Comply
- Teach and Train
- Fix responsibility for corrections
- Spread the good news

# IG Records

---

- IG Records are **protected** and governed by specific rules set forth in AR 20-1, Chapter 3.
- All IG Records belong to the Secretary of the Army.
- **The designated release authority for all IG Records is The Inspector General of the Army.**
- Most information gathered by an IG performing any IG function becomes an IG Record.
- IG Records are **redacted** for all attribution before release for official use.
